Dearest Imogene -

How many years have we
known each other? It's been
a real long time. Hadn't it -
And we have not gotten mad
very often either. You are one
of my best friends and I know
you shall always be one.
I'll even remember you even
after we finish high school -
You're real cute and so sweet.
I love you -

May Ann -

dedicated to the years
to come when all of us
may open these pages
and live again the
happy hours we spent
together here at school.
To you, then, who will
open this book and read
these pages many years
from now, greetings.
We sincerely hope you
find the memories
thus aroused the

you expect. Please don't forget
me. I'll never forget you.
See you next year future senior

much.

I love you always. To
 that, always. To
 it has disappeared. To

 have always. To
 I'll always. To
 I'll always. To
